

# Bad As I Wanna Be

Skizzy Mars

I'm a walking red flag  
So why you gotta do, why you gotta do me like  
That  
I'm bad as I wanna be, bad as I wanna be  
Bad  
So why you gotta do me like, why you gotta do me like  
Oh-oh, oh-oh  
I'm bad as I want to be bad as I want to be

The older I get  
The harder I go  
I realized they come, you already know  
You knew who I was from the jump  
You thought I was making it up  
I said what I said  
And that was the truth  
Now I gotta live like there's nothing to lose  
This is just me, so maybe it's you you  
I'm Rodman in '98  
I take the heat, I take the hate  
Like Denzel in Training Day  
You get the bull, I'm getting paid  
I'm one of one, no duplicates  
I'm acting out, I'm ludicrous  
Dont act surprised, you knew this shit

I'm a walking red flag  
So why you gotta do, why you gotta do me like  
That  
I'm bad as I wanna be, bad as I wanna be  
Bad  
So why you gotta do me like, why you gotta do me like  
Oh-oh, oh-oh  
I'm bad as I want to be bad as I want to be

Asshole I know what your thinking  
Whisky, I know what you're drinking  
Don't know what it is  
You talk a shit for somebody like you  
10 ways to say fuck how you're feeling  
Too bad I don't need a reason  
Go to hell, I'll see you there soon

You only know the half of me  
Thats talking shit and breaking things  
It doesn't take much to set me off  
The list goes on and on

I'm a walking red flag  
So why you gotta do, why you gotta do me like  
That  
I'm bad as I wanna be, bad as I want to be  
Bad  
So why you gotta do me like, why you gotta do me like  
Oh-oh, oh-oh  
I'm bad as I want to be bad as I want to be

I'm Rodman in '98  
I take the heat, I take the hate  
Like Denzel in Training Day  
I'm bad as I wanna be, bad as I wanna be  
I'm Rodman in '98  
I take the heat, I take the hate  
I'm bad as I wanna be, bad as I wanna be  
I'm a walking red flag  
So why you gotta do me like, why you gotta do me like  
That  
I'm bad as I want to be, bad as I want to be
