

## Be Lazy

Skizzy Mars

And I've been putting days in  
And they got me in the Days Inn  
And the shit that I've been making is amazing  
And things are moving fast, it's changing  
Working all week no breaks it was crazy  
Deadlines deadlines they will never trade me  
Come through the crib and be lazy  
Come through the crib and be lazy with me

We can watch Netflix  
Or we can just have sex  
I know I hit you room mate  
But don't worry that was last year  
Always caught up in the past shit  
Lay up line, she was practice  
Apple TV put on a good show  
She got the number for the good blow  
I smoke a lot you can probably tell  
Pop a perc now I'm high as hell  
Neighbors getting annoyed by the smell  
Fuck it though, fuck em' know  
You and me we can go anywhere we want to go  
These niggas so unoriginal  
I'll tell you anything you wanna know

And I've been putting days in  
And they got me in the Days Inn  
And the shit that I've been making is amazing  
And things are moving fast, it's changing  
Working all week no breaks it was crazy  
Deadlines deadlines they will never trade me  
Come through the crib and be lazy  
Come through the crib and be lazy with me

She like, she like what you working with  
Well I got the Xanax and the Percocet  
We can really vibe out  
I've been in the studio  
Gotta take some time out  
Bad bitch put her on time out  
Stole her dad's Jaguar hope he doesn't find out  
We ordered rent we don't dine out  
First to cut, cut the line, then she cut the line out  
And you know yo got my contact  
When you ever need that  
Tell the door man the penthouse  
We stacking more green than the weed guy  
And you know that shit loud too  
And my pops say he proud too  
Now he tell me get some bitches for the table  
I was like "Ok I'll bring back two."

And I've been putting days in  
And they got me in the Days Inn  
And the shit that I've been making is amazing  
And things are moving fast, it's changing  
Working all week no breaks it was crazy

Deadlines deadlines they will never trade me  
Come through the crib and be lazy  
Come through the crib and be lazy with me

Be lazy, be lazy with me  
Be lazy, be lazy baby  
Be lazy ooh ooh ooh
