

Sometimes

Skizzy Mars

Girl sometimes I wear shades just to cover up my eyes
And sometimes I tell the truth to cover up my lies
And sometimes I smoke and drink, that's really all the time
And sometimes we hit the bong and stay up all night
And sometimes we feel like we can really touch the sky
And Sometimes I feel like you my girl and I'm your guy
And sometimes you be tripping over things that don't exist
Sometimes, sometimes I don't want to hear that shit. (No)

I know my rooms a mess, but I've been meaning to tidy up
Sometimes I get stressed, yo I've been meaning to light a blunt
And I probably should of called the crib, but fuck it man I was stoned.

I probably should of call a car, fuck it, how I'ma get home?
I probably should have conserved, now I done smoked all my weed
Know I can count on my bros. I call it that family tree
And sometimes we want change, but change don't come so easily.
And sometimes I relax, just gaze at the scenery

Sometimes I want to bring LA weather to NY
And man I wish this table had more females and less guys
Girls in these skirts, and these drink on the rocks
Phoenix with Steve Nash, we putting up shots
She be going hard, she drinking a lot
Who am I am to tell her to stop?
You know time goes fast when you're moving quick
When you're making moves, you know, doing shit
And if I act a fool, it's cause I'm used to it
Sometimes I spaz out but that's just a facade
I'm normally mellow but sometimes it's hard

I don't want to waste
I don't want to waste, your time anymore
Wowoahuhuh, Yeah
Feels good right, enjoy it for the night [3x]
Feels good right
