

## Box Chevy

Skooly

Cook that shit up, Quay  
Ahn, I'm not in the mood

Check it

I'm not finna move, but I take these bitches home  
Like I'm not in the mood  
I was in apartments, drinking lean like it's cool  
I remember only hangin' out 'til my boys started shooting  
I remember banging out  
We might fight at the pool  
I'm remember staying out 'til 'bout five at the vous  
I remember slaying hoes right at the school  
I had paysouls right after school  
I was the one in box Chevy, yeah, with my gwop heavy  
Momma told me never buy, sell dreams, no  
You gon die if you don't keep living

My body different, I'm a scholar, I pop like a collar  
Style on them with exotic  
Don't know where he got it  
Bitch I came from the bottom, I told them I got it  
Think about all the time I take paddle and watching  
Think about all the times they told me I'm not it  
Think about all the times they told me they got me  
Tryna find best cemetery that ain't crowded at all  
All my animals is human, my partners, my dogs

I'm not finna move, but I take these bitches home

Boss nigga recruited niggas I fuck with  
I told niggas, no I was nothing to fuck with  
A small nigga, but I been on that deluxe shit  
My only friend is Flav, I got Flav in my cup bitch  
They gon soak a nigga game up, give it away  
They ain't thinking 'bout hating, ain't throwing no shade  
Bitch put me in a shit, crawl out again  
Send in party, yay, B call it yeahs

Burberry bucket, attitude  
Fuck your Destiny's Child, Lotoya Lucket  
To a roll about to Turkey  
Stuck in between payment surface  
Extended really don't aim or nothing  
The only loss we believed in was David Justice  
There's repercussions for anybody thinking they buggin  
My folks Rolex in a box was seized, custom  
Just bought half a bag of gas strong as Rock Lesly  
I'm ashamed I let a family member be a tester
