

It's a lot of niggas on that fuck shit  
That's why I'm wid some niggas I grew up with  
It's a lot of niggas on that fuck shit

It's a lot of niggas on that fuck shit  
That's why I'm wid some niggas I grew up with  
Heard them pussy niggas on that none sense  
We pull up on niggas with them dumb sticks  
We are not the ones for you to fuck with  
We gone have them youngins on that dumb shit  
Cause I got dough in this bitch  
Yea we got dough in this bitch  
We'll go to war in this bitch  
We'll go to war in this bitch  
I got my boys in this bitch  
I got my boys in this bitch  
Look at my boys in this bitch  
Look at my boys in this bitch  
They screaming damn, soon as I got my side  
Come with the fam, niggas who got my back  
Niggas who got my back  
I'm with the same old niggas, I cannot lie bout that  
Who you gone try bout that  
You just might die bout that  
I go outside bout that  
I go upside your head  
I'm in a war by my title  
My grandmama was a fighter  
Hop in the club with my idol  
Don't mean to fucking excite you  
This shit is fucking enticing  
I'm going in with no license  
I got ya bitch and she like it  
Told her to lick and don't bite it  
Told her to lick and don't bite it  
Jump on that dick and she ride it  
I got a head full of dreams  
I got a fist full of rings  
Told them I'm deep in the streets  
But nobody listen to me  
Now they be dragging my swag  
Now they be dissing a g

My brother died in the trap house, I watched him whip up a ki  
Swagger be dripping on me  
I roll a stiff for the weed  
I been with 10 in the streets  
We in a sprinter no jeep  
I'm with the set when I creep  
My diamond wet like a leaf

I know you getting from me  
I know you getting from me  
I know you getting from me  
I know you getting from me
