Shouldn't be
Shouldn't be here this time
Took my time, my time
We shouldn't be here this time
Took my time, my time

We shouldn't be here right now
Take my time, my time
Don't make it look so obvious
I'll fuck up your mind, not mine
You should be different now
You could be different now
Yeah-yeah
Bop with me like

Back in the day when I was young
I'm not a kid anymore
And I was stupid, I was dumb
Several times, I wasn't feeling like the one
They said it wasn't my fault
But I was feelin' like it was
I need a girl, I need a pal
No father figure, I'll be her dad
On the other hand a ring and a plan
On the other hand, I'll be her man
I'm the only man I know that can
Put you in your place, I'll taste your face
Bite you on your waist, no pain, no gain
We gon' get in trouble in the back of this plane

We shouldn't be here right now
Take my time, my time
Don't make it look so obvious
I'll fuck up your mind, not mine
You should be different now
You could be different now
Yeah-yeah
Bop with me like

Flyer than a cardinal
There you go, startin' stuff
Got me hard enough
I don't wanna drive at all
So I'm about to call a truck
We can fall in love
Backseat ballin' up
Backstroke all in her
Down as a dog in here
You gon' make me feel tall in here
Let me get it off
I'ma put it all in here
You gon' make me touch a wall in here
I'ma get it all
I'ma make it crawl in here
Your mama home, can't be moanin'
I'ma hit it in the mornin'

We shouldn't be here right now
Take my time, my time
Don't make it look so obvious
I'll fuck up your mind, not mine
You should be different now
You could be different now
Yeah-yeah
Bop with me like
