

# Do It Again

Skooly

I need all my freaky low-key freaky high-key freaky ass females to come to the front  
Freakhill

Shorty gon' get right on the top of your ass and press on the gas  
She using her leg  
She using her head  
She gripping the bed  
She call her friend over  
She say, "Bae, let's have sex."

Hitting her from the back  
Smack her 'til the ass red  
She say, "Do it again."  
That ass moving again  
Do it again

Now you and my friend pop a Perc  
Watch the devil come and visit me  
Made her squirt  
Knock the pussy out  
It's misery  
MLB  
Watch my swing  
I'm so major-league  
Her baby daddy wanna be me  
It's OK with me

Straight forward with the bitch  
Tryna get from "A" to "B"  
I'm a dog  
Check my paws  
Bitch, don't play with me

I drink clean  
In my soda  
I'm a damn fiend  
I'm too clean  
Use the sofa  
I just changed my sheets

She say, "I don't care. You're gon' have to do it again."  
That ass moving again  
Do it again

Now you and my friend  
Now, shorty really too bad for me  
Too bad. I really don't know  
Shorty keep shaking her ass for me  
Her best friend still gon' go  
Might as well give that ass to me  
Your best friend still gon' know  
Passenger or the back seat  
Let's ride  
Put that bitch on the road

Shorty gon' get right on the top of your ass and press on the gas

She using her leg  
She using her head  
She gripping the bed  
She call her friend over  
She say, "Bae, let's have sex."
