Fresh out the stall with this one, uh, I'm breakin' the law with this one

Me and my dog with this one, uh

The principal tried to keep me, I tried to fuck the teacher

I'm with the shit, ayy, come get your bitch, ayy

I'm poppin' shit, say, I'ma be rich, yeah

I'm poppin' paper now, time to shake the town

Nigga don't want me 'round, yeah, they know I own the crown, uh

But nigga don't want me down, I'ma start takin' shit, uh

I'm talkin' 'bout doin' 'em foul, uh, I'm talkin' 'bout flagrant, uh

They think I'm the shit, I know I'm the shit, but ain't got enough paper yet, uh

I came in this bitch, I go out this bitch, with all of the paper then, uh

I'm with your bitch, and I'm with your bitch, she say I'm her favorite

I hop in the whip, I pull out the vip, I'm speedin', I'm speedin', I'm racin', uh

Been gettin' to the paper, uh, uh, shit got contagious, uh

I had to make it, uh, I had to save it, uh, uh

Niggas was hatin' (niggas was hatin'), I really loved you niggas, uh
