Skooly

(SK)
(Diamond got the Juice)
Yeah
(Troy Taylor you the goat)

Give me that green light
Got my foot on the gas full throttle
Oh baby
It feels like
Keep accelerating cuz I want ya
I'm gon make you fall in love
Just to pick you up
You'll be my only one, fuck a runner up
Give me that
Green light
Your permission is all I want

Having trust issues
Is it hard to get comfortable with me
Cold as an igloo
I think that's what my hearts supposed to be
Don't lose your mind don't lose your drive
I know you down to ride don't lose your tires
Keep it in the streets show me you can slide
Lights still green where the finish line?

I be on that, full contact
I just wanna get you off, let me run up on that
Til I get you to the crib no I can't fall back
Do the dash in the whip just to hit it

Give me that green light
Got my foot on the gas full throttle
Oh baby
It feels like
Keep accelerating cuz I want ya
I'm gon make you fall in love
Just to pick you up
You'll be my only one, fuck a runner up
Give me that
Green light
Your permission is all I want

You know they ain't workin how you workin they ain't perfect how you perfect

Whatchu gonna do when it's green, she comin home with me

I just wanna get you off, let me run up on that
Til I get you to the crib no I can't fall back
