

## Mild Fever

Skooly

Catch the drift, I'm Odell  
Catch the drift, I'm Odell  
This right here is a mild fever

Catch the drift, I'm Odell  
Poppin' shit, I'm top shelf  
I'm protecting myself  
Still protecting my wealth  
Take the rest of my pills  
Pop the rest of my seal  
I been neglecting my health  
But I invest in myself  
I do that myself for myself  
I don't do that for nobody else  
Have sex with no thotie  
Can't expect your apology  
I can't X nobody  
But I can't bless nobody  
Ain't tryna stress nobody  
Ain't tryna catch no body

I been movin' and movin' and workin' my ass off  
Can't erase none of my past off  
We in here havin' a gas off  
Your bitch in here takin' my pants off  
Da fuck am I saying I'm bad for?  
I didn't say sorry the last war  
Couldn't even afford a Jansport  
I hit the gas, take the gas off  
So into the speeding, I'm Evil Knievel  
So I went above the dashboard  
I treat the streets like a drag course  
Tryna avoid the task force  
I spend them racks, I don't ask y'all  
I'm out here doing the dashboard  
Tek got the Telsa, I match up  
I got the Mazi I asked for  
(You said you wanted a Jaguar)  
But you got two hundred on dashboard  
This ain't no regular ketchup  
They won't be able to catch up  
Interior look like Polynesian  
Bottom my shoes look like ketchup  
Mone told me it's no pressure  
I didn't mean to upset you  
Don't play with my young niggas ever  
Lil' KG my brother forever  
They say the birds of a feather  
They always flocking together  
So we gonna be rocking together  
We gonna be rocking forever  
I got your back like a sweater  
They know I come from the slums  
And I'm going dumb  
They know how I come

Catch the drift, I'm Odell

Poppin' shit, I'm top shelf  
I'm protecting myself  
Still protecting my wealth  
Take the rest of my pills  
Pop the rest of my seal  
I been neglecting my health  
But I invest in myself  
I do that myself for myself  
I don't do that for nobody else  
Have sex with no thotie  
Can't expect your apology  
I can't X nobody  
But I can't bless nobody  
Ain't tryna stress nobody  
Ain't tryna catch no body

It's an honor just to be in your presence  
It's a blessing  
Different times call for different measures  
I wasn't desperate  
Lose your brains out here 'bout two or three necklaces  
And you can't blame me 'cause the game ain't chess, it's Louie V checkers  
Who is you flexing?  
Move my momma house 'bout two or three exits  
Just to be careful  
I'm in my own lane home  
I took the long way home  
Only the strong stay strong  
And only the real survive  
Nothing sincere in your heart  
I can see fear in your eyes  
How many will survive?  
How many killed to die?

Catch the drift, I'm Odell  
Poppin' shit, I'm top shelf  
I'm protecting myself  
Still protecting my wealth  
Take the rest of my pills  
Pop the rest of my seal  
I been neglecting my health  
But I invest in myself  
I do that myself for myself  
I don't do that for nobody else  
Have sex with no thotie  
Can't expect your apology  
I can't X nobody  
But I can't bless nobody  
Ain't tryna stress nobody  
Ain't tryna catch no body

This right here is a mild fever
