Switch it up
Yeah
Aye, aye, aye
Long live bankroll

Whatever you want it, I'm with it
You ridin', I'm whippin'
That skrilla, go get it, lil nigga
Brand new blue Mazi
It came with the paper
That engine gon' break
When I hit it, lil nigga
Whatever you start, I'ma end it, lil nigga
My partner locked down with no sentence, lil nigga
Straight ou the dome, salute the lieutenant
Do you get it, lil nigga?
Stop playin' with them lil niggas
Them bullets will go through a buildin', lil nigga
Huh, like this that lil nigga
That shot through the buildin' when children was in it?
Shit, nigga can't be snitchin'
You'll never know what they gon' do to a witness
Uh, ha, your bitch like this crippin'
Never know what she gon' do with a sixty

Ha, big on big
Ain't got no children, she ate my kid
Yeah, ha, big on big

Yeah, bitch said I snuck through the back
Not the front, don't even know I'm here
Ooh, she be dead in love
Talkin' like she know about a thug
Talkin' like she know about the water round my neck
She a duck 'cause she know about the tub

You ridin', I'm whippin'
