They know I'm delirious, taking these lil bitches serious  
I turned that ho to an eater, only cause that hoe was curious  
All of my bitches be open, I'm kickin' shit from the grove, man  
She suck the dick till her nose start hurting  
I put that dick down her throat, I'm stuntin  
When I was broke, found it hard to function  
I'm going in, nigga, all or nothing  
Niggas be talkin, not fuckin'  
Soon as I see them, they don't say nothin  
I ride with Skooly, don't ride with flunkies

I get her things, I feel like she deserve it  
I cannot eat her, if she do not serve a purpose  
If she ain't worth, fuck her once, then curve it
