Like, you wouldn't understand, like...

Look like I got on a bear
This mink I got on is rare
This shit I kick isn't fair

She on her shit and she work
Long as she willing to work
Don't give a damn where she work

So I can not settle for two
So look I'm gonna settle the truth
This what I'm telling to you
These niggas done took our swag and went through the
Roof
Tell me what I'm 'pose to do
I promise that I am not basic
I wish these niggas stop faking and face it
Yeah, they turning they backs on me
They scared to face me
