I got this shit from my brother  
He got it from dope in the water  
Whip it on top of the water  
Whip it on top of the oven  
We never put shit in the oven  
He never taught me 'bout microwaves  
I spent my money on Michael J's  
I got to be on that TIDAL page  
You pussy niggas is not the same  
Boy watch yourself, this is not your lane  
Boy watch yourself, this is not your lane  
You just a rookie, this not your game  
We shootin' bullets that's stoppin' trains  
We turn up fully and stop and aim  
We turn up fully and stop and aim  
Pop at your pussy ass, get your pussy ass  
Make your pussy ass turn to pussy ass

Why do you be  
Wildin' on these niggas like that?  
Stylin' on these niggas like that?  
Wildin' on these bitches like that?  
Stylin' on these bitches like that?  
Why do you be

I was tryna fuck a nigga bitch (Thugga Thugga!)  
I was tryna keep a nigga clean  
I was tryna take her up the street

Now my diamonds dancin' nigga, G  
There you, there it go, for the pesos  
Got bitches climbin' my dick without no Lego  
Nigga wildin' out in public, gotta lay low  
Hundred bands make the judge say the case closed  
Hundred thousand make the D.A. say the case old  
Just like mothafuckin' old folks  
Ya, I was shoppin' for the baby  
Then she seen the jewelry way from outdoors  
Nigga geeked up, heart got five beats  
Like I'm David fuckin' Ruffin, ho  
Yeah, you unique, but you still cheap  
Young Skooly, tell me, why do you be...

Why do you be  
Wildin' on these niggas like that?  
Stylin' on these niggas like that?  
Wildin' on these bitches like that?  
Stylin' on these bitches like that?  
Why do you be
