My brother got killed in the kitchen
My old bitch got took on a mission
She didn't know how to kick it
That nigga sent someone to kill me
I'm ridin' 'round with a killer
You can't relax in the city

You know what I came here to do
They say I smoke more weed than Snoop
This is my life, I'ma live it
Fill it up, lock it, and seal it
I rep bottoms up to the ceiling
You can't spend the night, don't be stealing
