

Hail Mary

Skott

I tried to love you from a distance
Said I was weak, but I was selfish
Now there's a universe between us
I know the shot's one in a million
But I will kick until you notice

Won't you hear me out?
Won't you listen?
A scream in the distance
Passing you my heart
Hail Mary

And I'm sorry
Here's my 80 yards
Forgive me
Passing you my heart
Catch it if you want

And I'm sorry
Here's my 80 yards
Forgive me
Passing you my heart
Catch it if you want

And I'm sorry
Here's my 80 yards
Forgive me
Passing you my heart
Catch it if you want
