

# Remain

Skott

I'll love again  
Changing  
Slowly I'm escaping

What are you here for?  
What are you waiting for?  
I am changing  
Breaking my promise  
Breaking a holy wish  
I am changing

I'll love again  
Changing  
Slowly I'm escaping  
Leaving you believing  
Dreaming  
I've remain here

Why are we silent?  
Is there a lack of weight?  
We are sinking  
We are sinking

I'll love again  
Changing  
Slowly I'm escaping  
Leaving you believing  
Dreaming  
I've remain here

I won't forget you  
I won't forget you  
I won't forget you

I won't forget you, I  
I won't forget you  
I will not forget

I'll love again  
Changing  
Slowly I'm escaping  
Leaving you believing  
Dreaming  
I've remain here  
I'll love again  
Changing  
Slowly I'm escaping  
Leaving you believing  
Dreaming  
I've remain here
