

# This Vibe

Skott

My hands are open, open wide  
I had the strangest moment with the deep blue sky  
And I, I'm gonna find it, I'll catch it, I'll bring it to you  
I need you more than anything, I know and I always knew

The deep blue sky  
Is for me and you

How come we feel this way every time we ride?  
You are the sun  
'Cause when you're burning through the clouds  
I see the sky  
Starting to get this vibe

The highest cloud  
Deepest view  
I know you'd follow me and I'd follow you  
And I, I'm gonna carry you, lean on you, stand by your side  
I need you more than ever, now I know and I al-

How come we feel this way every time we ride?  
You are the sun  
'Cause when you're burning through the clouds  
I see the sky  
Starting to get this vibe

You are the only one  
With eyes so bright they shine  
You're like the sun  
'Cause when you look at me, I'm burning from that smile  
Starting to get this vibe

How come we feel this way every time we ride?  
You are the sun  
'Cause when you're burning through the clouds  
I see the sky  
Starting to get this vibe

You are the only one  
With eyes so bright they shine  
You're like the sun  
'Cause when you look at me, I'm burning from that smile  
Starting to get this vibe

Starting to get this vibe, starting to get this vibe  
Starting to get this  
Starting to get this vibe, starting to get this vibe  
Starting to get this  
Starting to get this vibe, starting to get this vibe  
Starting to get this  
Starting to get this vibe, starting to get this vibe  
Starting to get this
