

# Bless You

Skrapz

I'm just tryna elevate myself  
Into a position where I can look back at my life  
And just say, "Ah"  
Feel me?  
It's like, certain people don't wanna see that happen  
I love that, though

Let me get a special shoutout to all the scumbags  
That never wanna see me get through  
All I wanna say is, God bless you  
I wouldn't have the motivation if it weren't for you  
I'd have a lack of concentration if it weren't for you  
So when you see me in my jewels, know it's all for you  
All my name brand shoes, did it all for you  
'Cause givin' up somethin' that I'll never do  
All I wanna say is three words, God bless you

God bless you, God bless you  
Father, if You're listenin', just bless them  
Just bless them, just bless them  
And if you're hatin' on the kid, God bless you  
God bless you, God bless you  
Father, if You're listenin', just bless them  
Just bless them, just bless them  
And if you're hatin' on the kid, God bless you

Ayo, it's not no gay ting when I tell my brother I love him  
I don't spar man, I see my brother and hug him  
Said to man, "I know him, my brother, they ain't my cousin"  
And if I ever blow up, they wouldn't be gettin' nothing  
I love my family and my family loves me  
And if they ever need help, they can come and ask me  
'Cause I did it for my family  
Fill a boy's head back with lead for my family  
Do you understand me?  
I ain't really tryna be a killer but I can be  
My baby mother love me but she said that she can't stand me  
Said I love my friends more than her, I said, "Nah  
By the way, all them man there ain't my friends, that's my family"  
Argue with my dawgs on the block sippin' brandy  
Fuck a Red Bull, man was chasin' it with cranberry juice  
If anything I'm sayin' now ain't the truth  
May God strike me down

Let me get a special shoutout to all the scumbags  
That never wanna see me get through  
All I wanna say is, "God bless you"  
I wouldn't have the motivation if it weren't for you  
I'd have a lack of concentration if it weren't for you  
So when you see me in my jewels, know it's all for you  
All my name brand shoes, did it all for you  
'Cause givin' up is somethin' that I'll never do  
All I wanna say is three words, God bless you

God bless you, God bless you  
Father, if You're listenin', just bless them  
Just bless them, just bless them

And if you're hatin' on the kid, God bless you  
God bless you, God bless you  
Father, if You're listenin', just bless them  
Just bless them, just bless them  
And if you're hatin' on the kid, God bless you

If you're hatin' on the kid, God bless you  
I know that one there is more personal than a F-U  
I'm gonna be a winner, my nigga, don't let it stress you  
Gotta keep it movin', my nigga, I'm not a statue  
Ten years ago, I probably woulda slapped you  
But I'm grown now and all I'm sayin' is, "Thank you"  
My nigga said, Skrapz, they only hate when you're great"  
I said, "niggas been hatin' from when I was only 8"  
Now I'm nearly 28, this money I'm tryna make  
Made a couple mistakes but still ain't put on the brakes  
God bless all of my haters but please don't bless any jakes  
Them kinda man there, the kinda man that I hate  
They always up on my tell, they put my niggas in jail  
Don't bless any of them, let all of them burn in Hell  
And the \*\*\*\* in the court, let all of them burn as well  
Put them in the jailhouse and burn them all in the cell

Let me get a special shoutout to all the scumbags  
That never wanna see me get through  
All I wanna say is, God bless you  
I wouldn't have the motivation if it weren't for you  
I'd have a lack of concentration if it weren't for you  
So when you see me in my jewels, know it's all for you  
All my name brand shoes, did it all for you

Just bless them, just bless them

God bless you, God bless you  
Father, if You're listenin', just bless them  
Just bless them, just bless them  
And if you're hatin' on the kid, God bless you

Shouts to B.anca on the hook  
And all you pagans, God bless you
