

Jumpout

Skrapz

Even though tommorow isn't promised I include it in my plans
Guaranteed to hear a bang if I've got it in my hand
Niggas say they're badman but it's only on the 'Gram
Park up and jump out, man will do it for the-

Came out of jail back to buyin' food again
My nigga Skrapz move the same, we like Ryu and Ken
All these packs in the base, fam, I can't afford to catch me a case
Plus they love me, I'm the raps Vinnie Chase
Always keep my strap, niggas be tryna clip me
If I die my nigga - makin' sure they comin' with me
All this money that I count, got money in my account
I should move across the bridge the way they love me in the south
My crew's too real
I'd rather bill a Peb-line on the strip before I sign a boohoo deal
Another day, another hustler dead
And Scarcity gonna post it online, that nigga must be feds (Snitch)
I don't like Nines, that nigga alway talkin' 'bout this trap shit
Album went number one and I weren't even match fit
Remember niggas used to phone my phone for B and white
Now I'm in the box seat, same row as Ian Wright, it's Nines

Even though tommorow isn't promised I include it in my plans
Guaranteed to hear a bang if I've got it in my hand
Niggas say they're badman but it's only on the 'Gram
Park up and jump out, man will do it for the-

Nuttin ain't changed, If I've got it on me then we're good
What's understood doesn't need to be explained
I'm in the hood with fifty carrats in my chain
In a Range switchin' lanes with my brownskin ting, she's Eritrean
Been a bait face before rap
You couldn't catch me and Nina out in public unless one of us is-
Been in jail, I ain't tryna go back
But I'll still do a mazza on the mains bareface, no cap (Boom)
Niggas don't really know Skrapz
I'm a man, I just do what I wanna when I want like MoStacks
New Bond Street spendin' old racks
And it's all - money, no tax
New phone, new number, who's that?
All them other niggas got is bare chat
Anything you hear me say is all facts
If I ever sign a record contarct I'm gonna buy some more packs
I know niggas probably think I sound tapped

Even though tommorow isn't promised I include it in my plans
Guaranteed to hear a bang if I've got it in my hand
Niggas say they're badman but it's only on the 'Gram
Park up and jump out, man will do it for the-
