

Slippery Slope

Skrapz

I fucked your bitch on my Persian rug
Audemars, doing up his and hers
I just saw L's and I had to learn
Shitting on me, now the tables turned
Woah, woah, woah, woah, woah, woah
Fucking with GOAT's, woah, woah, woah, woah
It's a slippery slope, woah, woah, woah, woah
She wanna roll, fuck on the low
Pass it to bro, give and I go

I know why these niggas are mad at me
Watch on my wrist is their annual salary
I know why they all wanna challenge me
Try fuck all of their bitches apparently
Got so many bitches, could probably start an academy
Got pics of your bitch in my phone, skinning out in my gallery
All of my diamonds got clarity
My Rollie don't need a battery
I'm fly, I don't know about gravity
I'm high, I've been smoking on Cali weed
If you disrespect me or anybody part of my family
I'll load up my chopper and guarantee there'll be a tragedy

I fucked your bitch on my Persian rug
Audemars, doing up his and hers
I just saw L's and I had to learn
Shitting on me, now the tables turned
Woah, woah, woah, woah, woah, woah
Fucking with GOAT's, woah, woah, woah, woah
It's a slippery slope, woah, woah, woah, woah
She wanna roll, fuck on the low
Pass it to bro, give and I go

These stacks on me getting bigger and bigger
I'm drinking this syrup, it goes to my liver
This ice that I put on, I shiver, brrr
Thirty-two clip in scorps, grrr
Sit in the trap as a pastime
I stepped in this bitch at like half nine
By ten, I sold about five nines
I gotta keep me a four-five
Bag up bricks, money splits
I really came up on stick up kids
Murder, raids, skrr'ed off quick
I contributed to some of that shit
I'm sorry but honestly
When I drive through the ends, it looks like I won me the lottery
Persian rugs all on these floors
Her knees are burned, she suck and she go

I fucked your bitch on my Persian rug
Audemars, doing up his and hers
I just saw L's and I had to learn
Shitting on me, now the tables turned
Woah, woah, woah, woah, woah, woah
Fucking with GOAT's, woah, woah, woah, woah
It's a slippery slope, woah, woah, woah, woah

She wanna roll, fuck on the low
Pass it to bro, give and I go
