

We Don't Pose

Skrewdriver

We got new faces
We got somethin' new
Yeah we're all strangers
And we're playin' for you

Chorus:
And just 'cause we look different
And we wear different clothes
Just 'cause we look different
We don't, we don't pose

Well we ain't bothered
By the critics' wit
They're so funny
Writing shit

(Repeat Chorus)

Well you can tell the old set
Too cool to clap
Yeah we're gonna cut through
That posing crap

(Repeat Chorus)
