

3am

Skrillex

It's 3:00am, probably need to get to sleep
But I really wanna sing 'bout you
It's 4:00am, yeah, I'm done with my song
But I really can't stop thinkin' 'bout you

It's 3:00am, probably need to get to sleep
But I really wanna sing 'bout you
It's 4:00am, yeah, I'm done with my song
But I really can't stop thinkin' 'bout you
'Bout you

And I hope I see you soon
But you haven't followed through
But it's okay, I'm by myself
That's why you gon' see me one day

I don't really talk like I did before
I kill my hopes with no remorse
It's way too late, but I'll make one more song about you

It's 3:00am, probably need to get to sleep
But I really wanna sing 'bout you
It's 4:00am, yeah, I'm done with my song
But I really can't stop thinkin' 'bout you

It's 3:00am, probably need to get to sleep
But I really wanna sing 'bout you
It's 4:00am, yeah, I'm done with my song
But I really can't stop thinkin' 'bout you

Even if I'm fading out
Would you get caught up next to me?
Who will take our places is now?
We want out
I can see without a doubt
You gave up on everything
Who will take our places is now?
We want out

It's 3:00am, probably need to get to sleep
But I really wanna sing 'bout you
It's 4:00am, yeah, I'm done with my song
But I really can't stop thinkin' 'bout you

It's 3:00am, probably need to get to sleep (I can see without a doubt)
But I really wanna sing 'bout you (You gave up on everything)
It's 4:00am, yeah, I'm done with my song (Who will take our places now?)
But I really can't stop thinkin' 'bout you (I want it so bad)

[illegible]

Don't know what it is I feel
Unengaged, on the sly
It might be the death of me
I want it bad
I want it so bad

It's 3:00am, probably need to get to sleep
But I really wanna sing 'bout you
