Skrillex

Oh dey might try  
Take a poke

Oh sonny find work  
Heat ya up  
Make ya whole body squirt  
Ya still a bad, man?  
Blast everyone  
So you no make da work?  
You no say  
No no say, get  
Make a boat  
Meh in here in dis place and  
Hatch ya in dis world  
My buddy in da roseland  
Writin note  
Sun on in Havana  
De sun a God man

Man a bad man  
Bad man no care  
Bad man from here to here  
We tell ya man a bad man  
Bad man no care  
Bad man from here to here  
We tell ya man a bad man

Real bad man we will kill all ya swag

Rat-ta-tat-tat-ta-ta-tat-tat-tat  
Nevah is it titty  
Left ya in a body bag  
Nevah is it titty  
Left ya with a hashtag  
Real bad man we will kill all ya swag

Man a bad man  
Bad man no care  
Bad man from here to here  
We tell ya man a bad man  
Bad man no care  
Bad man from here to here  
We tell ya man a bad man  
bad man [x3]  
man [x9]  
Real bad man we will kill all ya swag

We boys don't act deaf  
Play your part like an actress  
This on repeat a rewind won't mean remember  
take it now like a math test  
You don't understand English  
so don't act fresh  
Man better hear me out like my CD  
by the way it's a madness  
You don't wanna get accompanied

but I guess I'll hold these shoes  
so dumb till there ain't no loafers  
as you can't add to the job  
Numb is my hand to the lotus  
or get used to the rotors  
I get rolled outside like  
Zeus on posters  
or pay me a chase of soldiers

Man a bad man  
Bad man no care  
Bad man from here to here  
We tell ya man a bad man  
Bad man no care  
Bad man from here to here  
We tell ya man a bad man  
bad man [x3]  
man [x9]  
Real bad man we will kill all ya swag
