

# BIGGY BAP

Skrillex

We on fire  
Fresh classics for the streets  
We back, say what?  
Here we go, finally back on our bullshit  
Skrillex, Wuki

It might be illegal to hear this shit  
You not even supposed to be hearing this shit right now  
Brrt  
I have Skrillex trapped in my basement  
Play this at full volume or I'll put him in the hole  
Yeah  
Brrt  
Free Sonny Moore  
You crazy, Wuki  
Ayy, Skrillex coming with the pure, unadulterated dub, baby  
This that raw, unfiltered, ass-shaking, shit-clapping dub  
Ayy  
This beat drop has been seized by Atlantic Records and has been  
replaced with silence

Ayy

Woo  
Yeah  
Yeah

This that you going home to an empty house type dubstep beat  
One lil' microwave meal for one type dubstep beat  
My life is in shambles

Get it  
Get it  
Get it  
Get it  
Listen  
I have severe depression  
Listen
