

Mixed Signals

Skrillex

I came here on the fifth to hang out and just chill

I'm getting mixed signals from you, from you

I'm so outta tune (Tune)

I'm getting mixed feelings from you, from you

We're too outta tune

Mixed signals, soft spoken

You screaming, I don't know any other way to live it

No games, no gimmicks

Why are you pretendin'? Yeah

Too many decisions, yeah

I'm getting mixed signals from you, from you

I'm so outta tune (Tune)

I'm getting mixed feelings from you, from you

We're too outta tune
