

# Squad Out!

Skrillex

Out

Squad out

Make your body move right now

Let the fuckin bass drop

Squad

Squad

Squad

Squad out

Squad out

Squad out

Squad out

Make your body move right now

Make your body move right now

Squad out

Make your body move right now

Make your body move right now

Squad out

Make your body move right now

Make your body move right now

Squad out

Make your body move right now

Make your body move right now

What I want you to do right now

I want you to stand by the subwoofer

I want you to stand by the subwoofer

Stand by the subwoofer

Feel the bass

Feel it

Let the fuckin bass drop

Let the fuckin bass drop

Go lower

Go lower

Go lower

Go lower

Go lower  
Go lower  
Go lower  
Go lower  
Feel the bass  
Feel the bass

Make your body move right now  
Make your body move right now

Let the fuckin bass drop  
Squad  
Squad  
Squad  
Squad  
Squad out  
Squad out

This is bullshit
