

Tears

Skrillex

Don't you see the tears
Don't you see the tears
Don't you see the tears
Don't you see the tears

Listen

Don't you see the
Don't you see the
Don't you see the

I heard you whisper
Now hold me close now
I heard you whisper
Baby, don't leave me

But I felt
Hold me close now
Now, baby, don't leave me

Don't you see the tears
Don't you see the tears
Don't you see the

Listen

Don't you see the
Don't you see the
