Through The Fire

Skrillex

Burning in the depths of my desire
Through the fire
Feel your trace cares my body
Every step you take just takes me higher
Through the fire we go
Set me free
Hold me like I told you
Hold me like I hold you down
Like I hold you down
Through the fire we go

Through the fire we go
Through the fire we go (Oh, oh, oh)
Through the fire we go (Oh, oh)

Every step you take just takes me higher
Through the fire we go
Set me free
Through the fire we go

Through the fire we go
Through the fire we go (Oh, oh, oh)
Through the fire we go (Oh, oh)
