

Because It's Wrong

Skrizzly Adams

You're gonna miss me when I'm gone
It's clichés about stars and love, that keep us hangin on
And you don't even know what you did wrong
So you stare at your phone and look at the times we got along

I'm a disease that loves scare you at night
Have you stare at the wall in search of god until it's light
And you said I was blind, and I think you're right
But because it's wrong, I'm just gonna blame it on the night
But because it's wrong, I'm just gonna blame it on he night

Oooooohhh oooooohhh
It's wrong, wrong, wrong
Oooooohhh oooooohhh
It's wrong, wrong, wrong
Oooooohhh oooooohhh
It's wrong, wrong, wrong
But because it's wrong, I'm just gonna blame it on the night
But because it's wrong I'm just gonna blame it on the night

You're gonna trust me when it's through
About all these things went (a) wrong with me and you
(Yea) And you don't even know the thangs I do
So you stare at your phone and look at ya self just like you do

I'm just the man who thought he had to put up a fight
I took a swing (and) you took your pride just outta spite
And you said I was weak, and I think you're right
But because it's wrong, I'm just gonna blame it on the night
But because it's wrong, I'm just gonna blame it on the night

Oooooohhh oooooohhh
It's wrong, wrong, wrong
Oooooohhh oooooohhh
It's wrong, wrong, wrong
Oooooohhh oooooohhh
It's wrong, wrong, wrong
But because it's wrong, I'm just gonna blame it on the night
But because it's wrong I'm just gonna blame it on the night

I'm just a cold-blooded lover, that's how you feel
Sure I don't know love but I think it's real
I'm just twenty-two, all messed up and that's the deal
Cause when things goes wrong, you just learn to deal
(And it sounds like)

Because it's wrong I'm just gonna blame it on the X4

Oooooohhh oooooohhh
It's wrong, wrong, wrong
Oooooohhh oooooohhh
It's wrong, wrong, wrong
Oooooohhh oooooohhh
It's wrong, wrong, wrong
But because it's wrong, I'm just gonna blame it on the night
But because it's wrong I'm just gonna blame it on the night
