

Give You A Reason

Skrizzly Adams

They said, I was mistaken
That wasn't me, on your yard
And they said, I should've taken
Keys out of that car oh
But I drove right to your house
Saw hell and let it out oh
They said I took it too far
Oh but

I had to give you a reason
To justify you leaving
Now I'm gone
Oh, oh oh oh, oh, oh
Had to give you a reason
To justify you leaving
Now I'm gone
Oh, oh oh oh

You said, there's no debating
Go right when rang your alarm
Soon the past will be recent
'Cause my mouth went and said
Everything that's on my heart
Yeah I drove right to your house
Saw hell and let it out yeah
You said I took it too far
Oh but

I had to give you a reason
To justify you leaving
Now I'm gone
Oh, oh oh oh, oh, oh
Had to give you a reason
To justify you leaving
Now I'm gone
Oh, oh oh oh

Well I, don't mind
The things I do
Oh I'd do them again
Just to get over you
And though my mind
Falls apart from the truth
Yeah it bends and it breaks
Just to carry me through
Well I don't mind
The things I do
Oh I'd do them again
Just to get over you
If oh my mind
Was far from the truth
Yeah it bends and it breaks
Just to break me into

Had to give you a reason
To justify you leaving
Now I'm gone

I'm gone, I'm gone
Had to give you a reason
To justify you leaving
Now you're gone
You're gone, you're gone
