

Somebody to Love

Skrizzly Adams

Should I just give up or just hang on
Down a one way track on a road too long
Am I losing sight of what's gone wrong
So should I just give up or just hang on

Tell me that you're scared
Don't tell me that you don't care
Can't tell me that it's wrong
When I've been right here all along

Oh baby, all I want is somebody to love, yeah
All I need is a reason to breathe, yeah
Ain't got a lot but I ain't asking for much
Oh oh oh oh oh, I want somebody to love
So oh oh oh oh, give me somebody to love

Should I just give up or just hang on
When my heart's right here where it belongs
Why you so afraid to fight when the feeling's strong
So should I just give up or just hang on

Tell me that you're scared
Don't tell me that you don't care
Can't tell me that it's wrong
When I've been right here all along

Oh baby, all I want is somebody to love, yeah
All I need is a reason to breathe, yeah
Ain't got a lot but I ain't asking for much
Oh oh oh oh oh, I want somebody to love
So oh oh oh oh, give me somebody to love

Come on, come on, come on
Come on, baby, I need you tonight
I know, I know, I know
I know I can't ease your mind
Hold on, hold on, hold on
Yeah, I need you to know
No way, no way, no way
I'm ever letting you go

All I want is somebody to love, yeah
All I need is a reason to breathe, yeah
Ain't got a lot but I ain't asking for much
Oh oh oh oh oh, I want somebody to love
So oh oh oh oh, give me somebody to love
