

# West Virginia And These Cigarettes

Skrizzly Adams

I don't give a damn what you got to say  
You fell downstairs and found God along the way  
Lovers will be lovers I guess that's okay  
I can't give you hate, I wasn't raised that way

Oh, West Virginia, thought you said you loved me better  
And you said I'd love this town  
I can't remember what I said, I guess I just lied again  
Oh, West Virginia, thought you said you loved me better  
And you said I'd love this town  
I can't remember what I said, I guess I just lied again  
I can't remember what I said, I guess I just lied again  
I can't remember what I said, I guess I just lied again

Got your back up on the bricks posting up for a while  
With your cigarette mouth I almost saw you smile  
Lovers will be lovers I guess that's okay  
I can't give you hate, I wasn't raised that way

Oh, West Virginia, thought you said you loved me better  
And you said I'd love this town  
I can't remember what I said, I guess I just lied again  
Oh, West Virginia, thought you said you loved me better  
And you said I'd love this town  
I can't remember what I said, I guess I just lied again  
I can't remember what I said, I guess I just lied again  
I can't remember what I said, I guess I just lied again

Lovers will be lovers I guess that's okay  
I can't give you hate, I wasn't raised that way

Oh, West Virginia, thought you said you loved me better  
And you said I'd love this town  
I can't remember what I said, I guess I just lied again  
Oh, West Virginia, thought you said you loved me better  
And you said I'd love this town  
I can't remember what I said, I guess I just lied again  
I can't remember what I said, I guess I just lied again  
I can't remember what I said, I guess I just lied again

Oh, West Virginia, thought you said you loved me better  
And you said I'd love this town  
I can't remember what I said, I guess I just lied again  
Oh, West Virginia, thought you said you loved me better  
And you said I'd love this town  
I can't remember what I said, I guess I just lied again  
I can't remember what I said, I guess I just lied again  
I can't remember what I said, I guess I just lied again
