Skryptonite (Скриптонит)

Eazy-E and one nigga
Inhale that one a piece of me
Keep it peaceful
Have you leaking off season?
My creeping season
Might give you something to believe in
Do you believe in me?
Ey, shoutout Moscow, Sex Am CMG (CMG)
In a Mercedes GLE, CMG
Call the plug say what's your ETA ASAP
Call the plug say what's your ETA ASAP
It's either you fucking me or not
Girl, there's no teasing me
People think that's rude
But somehow they always leave with me
They can say they hate me all they want
But they still feeling me
Then they say they love me to my face
Then I'm like really G?
They accept me back now
'Cause they want?
Because they needing me
I just keep it moving with my shooters
Like am Eazy-E and one nigga
Inhale that one a piece of me
Keep it peaceful
Have you leaking off season?
My creeping season
Might give you something to believe in
Do you believe in me?
Ey, Sex Am and CMG, they believe in me
'Cause I do what I say, so they believe in me
In the morning am like "Why the fuck she ain't leaving me?"
I got money plans and real niggas, that believe in me
I'mma make you feel, if I don't think you believe in me
Shoutout Essie gang, Sex Am CMG

I just hit the plug
Where he at?
Ima slide
Used to be on quarantine
But now we back outside (We back outside)
Got my coins up, then I bossed up, whole gang blessed up (Yeah)
Studio nonstop, flipping that work, I don't need no stop watch
I just bang (Gang-gang-gang-gang-gang-gang-gang)
Essie with the gang
Moscow City on the map
36 with the glitzy
You know how I keep it busy
Ballin harder that Houdini
Fuck that hoe in my denim, while I sipping on the Henny
And I still keep a semi
Automatic with that shit

If a nigga say he opp
Better tell him where we be
In a trap with the fiends
Flip about a 100 keys
Watch the streets
Where you from?
Better know your pedigree

(Last night)
Last night I saw your shawty (Shawty)
She was ringin' to my body
(Drunk) Drunk and on the molly (Take care)
Take care of yourself in the valley
Someone waiting on the spot
When somebody go to thoughty
I'm from the north 'till infinity
Same men no activities
Workflow on the flexibly
What you know about your chemistry? (What you know?)
Gonna get, don't be jealousy
Born where you had to be born, It's a destiny
Die where you want, It's reality, It's not fantasy
Life's scope, I'm on score, like a DVD
I ain't C4, I'm a mass destruction remedy
I don't take the ecstasy anymore (don't leave)
I ain't got no time for the dance floor
It's not points from the score, it's a shot flow
Fucked life it's not everyday, it's an upcore
