

GIMME THE LOOP

Skryptonite (Скриптонит)

(Give me the loop)
I got the bars, you see the stars

Don't give a fuck
I'm about that lifestyle
Real nice

When I was a kid I wanted one biggest garage
When I became a grown-man, I realised its just entourage
Why not finally get big, I was 25
I knew I'm gonna benify
Ay, Certified money maker
All I do I make it bigger, and not be in барыга
Kazakhstan's Jigga
You make a dollar bills
I make from dollars, billions
Fuck you talk about your feelings, you're soft
Ay, I saw many pussies on my way
They only thought about pussy
I thought about cake
To this day
And by the way, I have time to play
But I'm not playing bitch
I'm not playing

(Gimme the loop, Gimme the loop)
I got the bars, you see the stars
I'm making [?]
Cars, Bentleys, Beamers
Don't give a fuck
I'm about that lifestyle
Real nice
(Gimme the loop)
I got the bars, you see the stars
I'm making [?]
Cars, Bentleys, Beamers
Don't give a fuck
I'm about that lifestyle
Real nice
(Gimme the loop)

I put my Ops on the news
Don't break the rules, You won't be home when you snooze
We drinking booze by the cemetery
For all the Ops that we dead and buried
Only get love when it's February
Word on the block is
Your rapper's a catfish
I'm not Santa Clause but I can still grant you a fat wish
My London connect on the line
Sending package through Gatwick
36 rears from now, I'll probably still be on my shit
On my kid, I don't double up
I'm blessing bats with the profits
Only time I hit the bank is when we make deposits
And just like your president
Hoe, I'm not living office

(Gimme the loop)
I got the bars, you see the stars
I'm making [?]
Cars, Bentleys, Beamers
Don't give a fuck
I'm about that lifestyle
Real nice
