

ON ME

Skryptonite (Скриптонит)

It's on me, eh, on me
It's on me, yeh, yeh

Shawty tryna put it on, on me
I see how you lookin at, at me
Shawty tryna put it on, on me
Everything she got is on, on fleek
Shawty tryna put it on, on me
I see how you lookin at, at me
Shawty tryna put it on, on me
Everything she got is on, on fleek

It's not wiggling nigga, look it's me and Gee (Who?)
Rip to DMX, imagine who it be
Waiting bag body, you go to sleep (Ey)
Fuck your Gucci flip flops
I don't wear the Louis V's
I wear the views
Somebody with snus on the block now
I got stacks and they fat now
Money power, money shower
I'm always fucked up
Like I'm the Mr. Devil
Boy, boy I got big money, no registration
2 straps in this bitch, double penetration
I don't fuck with bitches, If she hating Asians
I'm old school but feel like I'm a new generation
Banging playstation
We working so hard that I can xanny on a vacation
New mansion
I say I don't wear the Gucci but I feel so fashion
Rip to DMX

Shawty tryna put it on, on me
I see how you lookin at, at me
Shawty tryna put it on, on me
Everything she got is on, on fleek
Shawty tryna put it on, on me
I see how you lookin at, at me
Shawty tryna put it on, on me
Everything she got is on, on fleek

I'm making moves overseas with G's from Italy
Rock the whole block, still keep the strap when I leave
[?], new money same old plans
Circle small, same old friends
I don't talk, I just money dance
Out in France with a chica proolly paying Only Fans
What is that? (wow wow, damn)
We big stepping us some big cheques
We been grinding so we sleep less
Out in the Russia, only thing I know is пиздец

Shawty tryna put it on, on me
I see how you lookin at, at me
Shawty tryna put it on, on me
Everything she got is on, on fleek

Shawty tryna put it on, on me
I see how you lookin at, at me
Shawty tryna put it on, on me
Everything she got is on, on fleek

Amen
Bad bitches in the crib, Amen
Gucci down to the socks, on fleek
Ya ya ya, on me
Bad bitches in the crib, Amen
Gucci down to the socks, on fleek
Ya ya ya, on, on me
