Skunk Anansie

You see these eyes, they`re darn to hurt  
I want to crush you, what you gave birth  
I want the power without the grace  
I want to have you for your sweet taste

I`m big brother, I`m watching you [X2]  
I have your face inside my eyes  
I`m big brother, I`m watching you

I can`t resist to fuck you up  
You`re named and numbered,  
I`ve got the lot  
You`re on your face, you`re in their dirt  
I`m burning through what you convert

I`m big brother, I`m watching you  
I`m big brother I`m watching you  
I have your face inside my eyes  
I`m big brother, I`m watching you
