

Balloons are deflated  
Guess they look lifeless like me  
We miss you on your side of the bed, mmm  
Still got your things here  
And they stare at me like souvenirs  
Don't wanna let you out my head

Just like the day that I met you, the day I thought forever  
Said that you love me, but that'll last for never  
It's cold outside like when you walked out my life  
Why you walk out my life?

I get like this every time  
On these days that feel like you and me  
Heartbreak anniversary  
'Cause I remember every time  
On these days that feel like you and me  
Heartbreak anniversary, do you ever think of me?  
(Oh-ooh)  
On these days that feel like you and me  
Heartbreak anniversary, do you ever think of me?
