

# Inlove With That Bitch

Skusta Clee

It's your boy, Skusta Cleezy  
Tell 'em

Yes, I'm in love, I'm in love with that bitch  
I'm in love, I'm in love with that bitch

Ako'y may hawak na bote sa kanan at baso sa kaliwa  
May pumukaw sa tingin kong bad chick  
Dun sa may bandang kabila

She dance like Shakira  
And then what?  
Smoke like Khalifa  
Di ko malihis ang mga mata ko sa kanya mula pa kanina  
Who need that?

She said she know me,  
Yung nagtagalog ng show me  
Skusta Clee the shit idol kita,  
You're my one and only

Mukhang nagkakainitan na sa strip club  
Pero ang hindi ko mapaliwanag sa sarili  
Ko ay one thing lang

Yes, I'm in love, I'm in love with that bitch  
I'm in love, I'm in love with that bitch  
What up?

Yes, I'm in love, I'm in love with that bitch  
I'm in love, I'm in love with that bitch

I wanna dance with you  
Pay bills for you  
Spend all my money  
Just to make you happy  
Asi ako ay baliw sayo

I like you when you call me "papi"  
Wala akong masabe, grabe  
Sige lang just work your booty  
Shake, shake that booty  
Gimme, gimme that to me  
Give me that

All the niggas in the club  
Put your motherfucking hands up, turn up  
Kanya kanyang dala ng babae na yan mamaya  
Kase mga lasing na and so fucked up

Pero etong chick ko di ko iiwanan  
'Cause I'm so in love with her tonight  
Pagtapos namin dito dederetso na kami ng hotel room #69

Yes, I'm in love, I'm in love with that bitch  
I'm in love, I'm in love with that bitch

Yes, I'm in love, I'm in love with that bitch  
I'm in love, I'm in love with that bitch

I know your name  
When a rich nigga want you  
I know why you came  
And your nigga can't do nothin' for you  
Girl, I know you wanna be my.

No, I'm just playin'
