

# Obsession

Sky Ferreira

Woah

Woah

Listen up I'm gonna' tell you bit about myself  
I got a situation, ain't concerning nobody else  
Just you and what you can do for me  
(Ooh)

I had the life of ordinary, I spat it out  
Now my condition's kind of scary, I need you now  
Not love but I need something else

So here's my confession  
This time, this time,  
Don't just want you to love me  
I want to be your obsession  
This time, this time,  
Want my name on the Marquee

I want you (To want me)  
I want you (To need me)  
I want you  
To hear my confession

I want to be your Obsession

(Whoa)

I'll fixate you, till you never let me go  
So I can feed your addiction in the stereo,  
I could be, just your type of high  
(I can give what you like)

Your talkin' bout' the narcissism that's in Hollywood,  
I'm lovin' myself, but what I need's for you to feel good (let go)  
Let the music just take control

So here's my confession  
This time, this time

Don't just want you to love me  
I want to be your obsession  
This time, this time  
Want my name on the Marquee (Whoa)

I want you (To want me)  
I want you (To need me)  
I want you  
To hear my confession

I want to be your Obsession  
I want to be your Obsession

Whoa  
Whoa  
Whoa

Ain't nothing wrong with OCD  
Long as it's for me, long as it's for me

Ain't nothing wrong with OCD  
Long as it's for me, long as it's for me

Here's my confession  
This time, this time  
Don't just want you to love me  
I want to be your obsession  
This time, this time  
Want my name on the Marquee (Whoa)

I want you (To want me)  
I want you (To need me)  
I want you  
To hear my confession

I want to be your Obsession  
I want to be your Obsession  
I want to be your Obsession

Oooh
