Get on your knees  
Hands up, get em' up  
Get on your knees  
Hands up, stick em' up  
Get on your knees  
Hands up, get em' up  
Get on your knees  
Hands up, stick em' up

I didn't do it  
I never did it  
I swear it's an accident

My weekend hobby  
Ya, no one stop me  
Was out in my truck at night  
And I said

Get on your knees  
Hands up boys  
I just love sayin' that  
I'll say it again

Get on your knees  
Hands up boys  
That's right  
That's right

Was only aiming  
Was only pointing  
But I was only looking, looking

Cause I'm a boyhunter,  
(come on, come on, come on)  
a boyhunter,  
(hunt you down)  
a boyhunter  
I need a boy tonight  
Get on your knees  
Hands up boys  
I just love sayin' that  
I'll say it again

Get on your knees  
Hands up boys  
That's right  
That's right

Good looking (good looking)  
Mad shocking (mad shocking)  
Hard rocking (hip hopin')  
Boy tonight (get em' up)

I couldn't help it  
Just couldn't stop it  
Something must've come over me (yeah)

My midnight joyride (zoom, zoom)  
Caught you in headlights  
I had to take you home with me  
And I said

Get on your knees  
Hands up boys  
I just love sayin' that  
I'll say it again

Get on your knees  
Hands up boys  
That's right  
That's right

Was only watchin'  
Was only wonderin'  
Yes, I was only looking, looking

Cause I'm a boyhunter,  
(come on, come on, come on)  
a boyhunter,  
(hunt you down)  
a boyhunter  
I need a boy tonight

Get on your knees  
Hands up boys  
I just love sayin' that  
I'll say it again

Get on your knees  
Hands up boys  
That's right  
That's right

Get on your knees  
Hands up, get em' up  
Get on your knees  
Hands up, stick em' up  
Get on your knees  
Hands up, get em' up  
Get on your knees  
Hands up, stick em' up
