

Tangled Up In Me

Skye Sweetnam

You wanna know more, more, more about me
I'm the girl who's kicking the coke machine
I'm the one that's honking at you cuz I left late again

Hey! Hey! Hey!

Can't you see I want you by the way I push you away, Ya!
Don't judge me tomorrow by the way I'm acting today
Mix the words up with the actions do it all for your reaction Ya!
Hey! Hey!
Get tangled up in me

You wanna know more, more, more about me
Gotta know reverse psychology
I'm the reason why you can't get to sleep
I'm the girl you never get just quite what you see

Hey! Hey! Hey!

Can't you see I want you by the way I push you away, Ya!
Don't judge me tomorrow by the way I'm acting today
Mix the words up with the actions do it all for your reaction Ya!
Hey! Hey!
Get tangled up in me

You think that you know me
You think that I'm only
When everything I do is only to get tangled up in you
You wanna know more, more, more about me
I'm the girl that's sweeping you off your feet

Hey! Hey! Hey!

Can't you see I want you by the way I push you away Ya!
Don't judge me tomorrow by the way I'm acting today
Mix the words up with the actions do it all for your reaction, Ya!

Hey! Hey!

Get tangled up in me
