

# Allure

Skyharbor

Come close to me, promise everything, don't tell a soul, let's  
just begin  
Stiletto tied and bound to me, the sound of silk and skin to sk  
in  
A close embrace, a lusting grin, entangled in a web of lust and  
sin  
A kiss of death, the speed of sound, you've come to take my inn  
ocence

Don't hesitate, your gift sets me free  
And the biting feeds the lust in me

No thanks to this state of undress, you drag me in hand on my c  
hest  
The beat of life will satisfy, poison lips I won't deny  
A close embrace, a lusting grin, entangled in a web of lust and  
sin  
A kiss of death, the speed of sound  
Do you feel the beat of life?  
Forgive me, oh won't you forgive me?

Don't hesitate, your gift sets me free  
And the biting feeds the lust in me

You're slipping through my fingertips  
You bring me to my knees  
It's over and I'm cold

In this fine allure, keep it to yourself  
I need your love  
In this fine allure, the biting feeds  
A lusting, beating heart  
I trust in you and carelessly strip you down  
Living, living by the words l'amour  
Playing by the rules no more  
Living by the words l'amour, l'amour, l'amour  
Dangerous eyes, tempting sighs  
Keep them to yourself  
Strip me down

You're so warm and slipping through my fingertips  
You bring me to my knees  
It's over now  
And I won't hesitate, your gift sets me free  
And the biting feeds the lust in me
