Skyhooks

Sometimes I get the feeling  
Everybody's putting me down  
I'm in the need of some rockin' and a reelin'  
And I don't wanna mess around  
I need boogie I need boogie  
Bbbbbbbbbbbboogie

Some people don't understand  
The reason I get this way  
Take me to the place where  
They got a good band  
I gotta hear the boogie today  
I need boogie, I need boogie  
Bbbbbbbbbbbboogie

Give me the boogie  
I don't want no bump  
Give me the boogie  
I gotta feel it pump  
Give me the boogie  
Don't wanna save my soul  
Give me the boogie  
Just let me rock'n'roll
