

Ego Is Not A Dirty Word

Skyhooks

If I did not have an ego I would not be here tonight
If I did not have an ego I might not think that I was right
If you did not have an ego you might not care the way you dressed
If you did not have an ego you'd just be like the rest

Ego is not a dirty word
Ego is not a dirty word
Ego is not a dirty word
Don't you believe what you've seen or heard

If Jesus had an ego he'd still be alive today
And if Nixon had no ego he might not be in decay
If you did not have an ego you might not care too much who won
If I did not have an ego I might just use a gun

Some people keep their egos in a bottom drawer
A fridge full of Leonard Cohen
Have to get drunk just to walk out the door
Stay drunk to keep on goin'
So if you got an ego
You better keep it in good shape
Exercise it daily
And get it down on tape
