

Happy Hippy Hut

Skyhooks

Down a bush track off a dirt road
No milkbar, no postcode
In the state of blissed out mind
It's always 1969

Ah, when hippy boy meets hippy girl
In Brunswick street tonight
She'll take him back to the hippy hut
Where everything's all right
Take off her cheesecloth kaftan
And brew some Jasmine tea
Read Kerouac and Ginsberg
And trip on poetry

Yeah, we live our lives in a hippy hut
And our front door is never shut
There's love and peace out in the bush
Away from all the shove and push
Our Kombi van goes put put put
To our happy hippy happy hippy hippy hut

Wear a headband, seek nirvana
Pack a bong and smoke banana
Tofu gut and Lily Ponds
They dance along in leather thongs

We'll build a mudbrick heaven
Wear flowers in our hair
Potbelly stove and windchimes
Seagrass everywhere

Yeah, we live our lives in a hippy hut
Our front door is never shut
There's love and peace out in the bush
Away from all that shove and push
Our Kombi van goes put put put
To our happy hippy happy hippy hippy hut
Happy hippy happy hippy hippy hut

Now hippy girl and hippy guy
Lay the mattress on the floor
Burn that incense all night long
Submit to cosmic law

I searched the world for the Holy Grail
Pinned the donkey on the tail
I knew my life was in a rut
Till I found my (hippy hut)

Now we drink rainwater from a tank
Most of the time our minds a blank
I get to feel just like a king
Up here where the bellbirds sing

We live our lives in a hippy hut
Our front door is never shut
It's the shack we call our home

And we never feel alone
Our Kombi van goes put put put
To our happy hippy happy hippy hippy hut

Yeah, we live our lives in a hippy hut
Share the tomb with old King Tut
There's love and peace out in the bush
Away from all the shove and push
Our Kombi van goes put put put
To our happy hippy happy hippy hippy hut
Happy hippy happy hippy hippy hut

We live our lives in a hippy hut
Share the tomb with old King Tut
There's love and peace out in the bush
Away from all the shove and push
Our Kombi van goes put put put
To our happy hippy happy hippy hippy hut
Happy hippy happy hippy hippy hut
Our happy hippy happy hippy hippy hut
