

# Straight In A Gay Gay World

Skyhooks

I'm just a straight in a gay, gay, gay world  
I'm carryin' the banner tryin' to keep the flag unfurled  
Well, I'm just a straight in a gay, gay, gay place  
I might look a little odd but I'm part of the human race

Well, I'm just a straight in a gay, gay, gay world  
Might look a little butch but my hair is naturally curled  
Don't wear no floral shirts or white, buckled shoes  
No blow jobs or blow waves, I do just what I choose

And if I'm forty-seven and I've never been married  
That's just a load that's gotta be carried  
Even if I had my eyebrows plucked  
That don't mean I'm hangin' round just to get

(Just 'cos he's happy don't mean that he's gay  
All his friends seem to take him quite the wrong way)  
There ain't many of us still left alive  
All my friends have gone over to the other side

I'm just a straight in a gay, gay, gay world  
I'm carryin' the banner tryin' to keep the flag unfurled  
Well, I'm just a straight in a gay, gay, gay time  
And a straight in a gay world is getting hard to find

I'm a straight, straight, straight in a gay, gay world  
I'm carryin' the banner tryin' to keep the flag unfurled  
I'm a straight (straight), straight (straight)  
Straight (straight) in a gay, gay time  
And a straight in a gay world is getting hard to find

Straight  
Straight  
Straight  
Straight
