

This Town Is Boring

Skyhooks

Well, I jumped a plane for the Greek Isles
Ouzo and moonlight had me all smiles
A villa, a yacht and a private beach
I thought happiness was in my reach

Jackie O she like my tan
Jackie O said I was her man
Then one night I walked in the door
I looked in the mirror, this is what I saw

This town is boring, this town is dead
This town ain't what it used to be
This town ain't the place for me

So I travelled to London and points in between
And everywhere else that I ain't been
I felt everything that there was to feel
Made my money on the roulette wheel

I did a hundred things I hadn't done before
Looking for something and something more
I was getting tired of messin' about
One night in Soho, I just had to shout

This town is boring, this town is dead
This town ain't what it used to be
This town ain't the place for me

This town is boring, this town is dead
This town ain't what it used to be
This town ain't the place for me

Now New York is New York on Seventh Avenue
People and places and things to do
Where the rat race reaches its peak
Ten million people playing hide and seek

So I was surprised when someone said to me
'What's it like in your town I'm goin' there you see ?'
'Ain't nothin' happenin' in this dirty old town'
'I need some excitement, I gotta get down'

We all gotta get up and go to work
Go home and cook the dinner
And if you're in Tangiers or Kathmandu
That don't mean you're on a winner

In Manhattan or Paris, you can hear people say
'This town is boring, I gotta get away'
'If I had the money, I'd leave today'
'This town is boring and I can't stay'

This town is boring, this town is dead
This town ain't what it used to be
This town ain't the place for me

This town is boring, this town is dead

This town ain't what it used to be
This town ain't the place for me

This town is boring, this town is dead
This town ain't what it used to be
This town ain't the place for me
