

Breaking Free

Skyla

You know the world can see us in a way that's different
than who we are
Creating space between us til we're separate hearts

Can you feel it building like a wave the ocean just
can't control
Connected by a feeling, uhhh, in our very souls
Rising til it lifts us up, so every one can see

(2x)

We're soarin', flyin'
There's not a star in heaven that we can't reach
We're soarin', flyin'
If we're trying, then we're breaking free

Can you feel it building like a wave the ocean just
can't control
Connected by a feeling, uhhh, in my very soul
But your faith it gives me strength, strength to
believe
Rising til it lifts us up, so every one can see

(3x)

We're soarin', flyin'
There's not a star in heaven that we can't reach
We're soarin', flyin'
If we're trying, then we're breaking free

We're breakin' free!!

We're soarin', flyin'
There's not a star in heaven that we can't reach
We're soarin', flyin'
If we're trying, then we're breaking free
