

It's Raining Again

Skylar Grey

it's raining again
tell me something i don't know
this place can make you dizzy
sweet dreams didn't choke
walk across the finish line
i would you believe

it's raining again
i wont say i didn't know that it would come so early
my clock radio
playing static every time
and waking up my pearly tea stained smile

if you can
i'm with you till the end
that's all i wanna do

it's raining again
and your catting in and out
like internet and heartache
ya i saw the sign
its says 'slippery when wet'
the water's washing out your painful smile

if you can
i'm with you till the end
that's all i wanna do

ooh smile

if you can
i'm with you till the end
that's all i wanna do
till the end
that's all i wanna do.
